**\*\*\*TURN IN YOUR HOURS THE YEAR YOU DO THEM**

Cloverdale Unified School District requires **15 hours of community service per year, for a total of 60 hours** to graduate. Seniors may do 15 hours of job shadowing.

Community service (aka Service Learning) **MUST** be done at a **nonprofit agency** or an organization whose main goal is to benefit the community.

Note: Sports and youth organization service time **does not include participation as a player or earning badges**. Examples of service are: Record keeping, setup, or cleanup for a show; refereeing games, assisting coaches, keeping score, setup, or cleanup for a sporting activity.

Community Service Hours **can not be a "paid" position** and not be earned during class time.

Service learning hours should be listed separately.

Private or family businesses or homes are not acceptable locations for students to perform community service hours. Students must receive prior approval, from the high school office for agencies not listed above.

**Approval signature verifying hours can not be signed by a parent/guardian/relative.
